CVISL
Cobra Venture
Infrastructure & Sibga Ltd

ABOUT US:

Cobra Venture Infrastructure & Sibga Ltd. is a dynamic and diversified engineering, procurement, and construction company specializing in delivering world-class solutions in **power generation, transmission, and distribution,** as well as **oil and natural gas infrastructure development**. With a strong commitment to excellence, innovation, and sustainable practices, we have established ourselves as a trusted partner in executing complex projects across multiple sectors.

Our expertise spans the entire project lifecycle – from concept development, design, and procurement to construction, commissioning, and maintenance. We are proud to serve a wide range of clients, including government agencies, utility companies, and private enterprises, providing them with reliable and cost-effective solutions tailored to their specific needs.

At **Cobra Venture Infrastructure & Sibga Ltd.,** we prioritize **quality, safety, and environmental responsibility**, ensuring that every project meets international standards and exceeds client expectations.

Our highly skilled team of engineers, technicians, and project managers brings decades of collective experience, enabling us to deliver projects on time, within budget, and to the highest technical standards.

Driven by a vision to contribute to infrastructure development and energy security, we continue to expand our capabilities and embrace new technologies to meet the evolving demands of the industry.

OUR VISION:

To be a leading infrastructure and energy solutions provider recognized for **excellence, integrity, and innovation.**

OUR MISSION:

To provide innovative, reliable, and sustainable infrastructure solutions that empower communities and drive economic growth.

CORE VALUES:

Quality
Safety
Professionalism
Engineering Excellence
Solution Provider
Innovation
Trust

CERTIFIED ISO 9001:2015 COMPANY

CVISL
Cobra Venture
Infrastructure & Sibga Ltd

CORE SERVICES:

At **Cobra Venture Infrastructure & Sibga Ltd.,** we deliver integrated solutions that cover the entire project lifecycle for power, oil & gas, and infrastructure sectors. Our key services include:

1. Engineering Design

We provide comprehensive engineering design solutions tailored to client requirements. Our capabilities include:

- Power Systems Design: Generation, transmission, and distribution networks up to 330kV
- Substation and Switchgear Design
- Oil & Gas Facilities Design
- Structural, Mechanical & Electrical Systems
- Detailed Project Drawings, Load Flow & Protection Studies

Our design approach ensures efficiency, safety, and compliance with international standards.

2. Consulting

Our expert consulting team offers strategic and technical advisory services, including:

- Feasibility Studies & Project Planning
- Environmental & Risk Assessments
- Cost Analysis & Budget Optimization
- Regulatory Compliance Guidance

3. Construction

We execute end-to-end construction solutions, including:

- Power Generation Plants
- Transmission Lines and Substations (up to 330kV)
- Distribution Networks
- Oil & Gas Pipelines and Facilities
- Industrial and Civil Infrastructure Projects

CVISL
Cobra Venture
Infrastructure & Sibga Ltd

4. Contracting (EPC)

As a full-service Engineering, Procurement, and Construction (EPC) contractor, we manage projects from concept to commissioning, ensuring timely delivery and budget control with a focus on quality and safety compliance.

5. Site Development

Our site development services include:

- Land Clearing & Grading
- Access Road Construction
- Utility Installations
- Foundations and Civil Works

6. Logistics & Supply Chain Management

We provide specialized logistics and material handling solutions for large-scale projects. Our services cover:

- Transport of Heavy Equipment & Components
- Inventory Management & Procurement Support
- Timely Delivery to Remote Sites

Why Choose Cobra Venture Infrastructure & Sibga Ltd.?

Choosing **Cobra Venture Infrastructure & Sibga Ltd.** means partnering with a company dedicated to excellence, reliability, and innovation. Our clients trust us because:

- **Proven Expertise:** We bring extensive experience in **power generation, transmission & distribution (up to 330kV), and oil & gas infrastructure**, delivering complex projects successfully.
- **End-to-End Solutions:** From e**ngineering design, consulting, and EPC contracting to logistics and site development**, we manage the entire project lifecycle with efficiency and precision.
- **Quality & Safety Commitment:** All our projects adhere to **international quality standards** and stringent safety practices, ensuring reliability and long-term performance.

- **Timely Delivery:** Our project management expertise and robust supply chain ensure on-time and cost-effective execution, even in challenging environments.
- **Innovative Approach:** We leverage modern technologies, advanced engineering solutions, and industry best practices to provide cutting-edge infrastructure solutions.
- **Client-Centric Focus:** We prioritize our clients' objectives, tailoring our solutions to meet their specific needs and consistently exceeding expectations.
- **Sustainability & Responsibility:** We integrate **environmental, social, and governance (ESG)** principles into our operations, supporting sustainable development and community growth.

With **Cobra Venture Infrastructure & Sibga Ltd.,** you gain a trusted partner committed to delivering world-class infrastructure solutions with integrity and excellence.

CLIENTS & PARTNERS:

We are proud to have built strong relationships with leading organizations in the power, oil & gas, and infrastructure sectors. Our key clients and partners include:

- Transmission Company of Nigeria (TCN)
- Nigerian Upstream Petroleum Regulatory Commission (NUPRC)
- Siemens Energy
- Niger Delta Power Holding Company (NDPHC)
- Rural Electrification Agency (REA)
- Nigerian National Petroleum Company Limited (NNPC) & JV Operators
- Electricity Distribution Companies (DisCos)
- EPC Contractors incl. Fedders Lloyd Corporation, Seacof Engineering and Sanrouk Engineering Services

These partnerships enable us to deliver projects that meet international standards of quality, efficiency, and sustainability.
